

G·PLUS

DUAL ACTION MINI POLISHER.

PRODUCT DESCRIPTION

The G Plus Dual Action Mini Polisher has been developed to Farécla's own specification for precision polishing, blending powerful performance with user-friendly ergonomics. Designed for spot repair and fine detailing, this compact DA polisher delivers swirl-free, professional results in areas larger machines can't reach or where only small areas need attention.

Whether you're tackling spot polishing, scratch removal, or delicate correction work, this mini DA polisher delivers power, precision, and portability in one compact package.
